

UNREELED

An evening of dance and conversation about connection.

Hosted by choreographer Fearghus Ó Conchúir, this evening will feature solos made by Fearghus during 2020 and 2021 that can finally reach you. Fearghus will be joined Isabella Oberländer who will perform a work Fearghus made for her. We're hoping you'll enjoy dance, some warm chat and a chance to think about what it means to connect with each other and with what we're missing.
