

Activity 5

What a Colourful World

Inspired by
William Bock

Do you see all the beautiful colours?
They are all made of plants, stone
and other natural materials

Materials

All you need is:

Paper

Brush

Water

Small Containers
(Cups, Lids, ...)

Natural Colours.

Look around your home and see what you can find. Or go out on a nice walk and keep your eyes open for colourful plants!

Here's what I found

Tumeric
(yellow)

Old BBQ Charcoal
(grey/black)

Leftover Coffee
(brown)

Pickled Beetroot
Juice
(pink)

Mix powders with water,
juices/liquids can be used right away

Paint away and see how your natural colours look on paper!
